

The City of Maypearl handles your water, sewer and regular trash pick-up directly in our Utility department. Electric, gas and special dumpster needs are handled by 3rd parties. You may reference this website for details on how to setup services and the associated fees for the City. Our hours and location of our office is listed below. If you have questions regarding water, sewer and regular trash pick-up, you may speak to the City Utility Clerk at the number and location provided below during our regular office hours.
